QwikTreat[™] Condensate Pan Tablets

Specially formulated, fast acting tablets control odors, and help remove deposits that can clog drain lines and foul humidifier pans.

- ▶ Safe for computer rooms
- ▶ 100% soluble
- ▶ Leaves no residue
- ▶ Creates no corrosive vapors

For Use in A/C and Heat Pump Systems

Place the tablets at a point furthest from the drain to insure best treatment. The recommended dosage is 2 tablets per 5 tons of A/C, monthly.

For Use in Humidifiers

The recommended minimum dosage is 2 tablets monthly. The tablets are effective in preventing scale buildup and odors in the reservoir. The reservoir should be cleaned and rinsed routinely.
